

STEEL STORAGE

Optimizing space with premium mobile shelving

A mobile shelving solution that truly belongs in your office. Our uniquely designed pulley and timing belt mechanism makes the operation of this product completely noiseless. Eliminating the need for grouting or hacking of the floor, making this product truly 'mobile'.

Premium Lockers

The clean cut look merges well with your office interiors, a rather premium look is what Fonze! Premium locker offers. Having a double wall construction, the locker offers flexibility to accommodate various lock options on each door. Ranging from a key lock, numeric lock, battery operated RFID lock to a wired construction of Network RFID lock, the Premium Locker can house it all. No rivets, no pins, no screws but a clean look from all sides!

Features
